Warner Bros.:
Television Out of the Box

	<p><i>Batman at 75: To All a Dark Knight</i></p> <p>Even your grandmother could name Batman's sidekick or home base (or maybe both). The Dark Knight is arguably the world's most popular superhero and one of the most iconic and influential fictional characters of all time. Celebrate the seventy-fifth anniversary of his first appearance, in Detective Comics #27 (May 1939) every weekend in May at the Paley Center with a wide variety of Bat-entertainment, from the cheesy propaganda of the 1943 movie serial up to today's critically-acclaimed DC Universe Animated Original Movies, including <i>Justice League: Doom</i> and <i>Lego Batman: DC Superheroes Unite</i>.</p>
12:30	<p><i>Justice League: Doom</i></p> <p>This animated superhero motion picture features the Justice League of America, consisting of Batman, Superman, Wonder Woman, the Martian Manhunter, Green Lantern, Cyborg and the Flash, as they battle the Legion of Doom with a distinct disadvantage: the villains have hacked into the Batcomputer, which reveals how to most effectively rend each heroes' powers useless. Voiced by Kevin Conroy, Phil Morris, Olivia d'Abo, Tim Daly, Carl Lumbly, Paul Blackthorne, Nathan Fillion and scripted by the late, great Dwayne McDuffie. (2012; 77 minutes)</p>
1:50	<p><i>The Milton Berle Show</i></p> <p>Comic legend Berle hosts this comedy-variety series taped at the Hollywood Palace theater. In a cross-promoting skit, Berle tries to fulfill simultaneous guest-villain appearances on <i>Batman</i> and <i>The Green Hornet</i>. Guest starring Adam West, Van Williams and Bruce Lee as Kato. (1966; 60 minutes)</p>
2:50	<p><i>Batman: "Louie, the Lilac"</i></p> <p>In this standout episode from the third season, Louie the Lilac (Milton Berle) steals all the flowers from a "flower-in" so that he can distribute his lethal lilacs and gain control of the flower children. Highlight: Batgirl's groovy theme song voiced by a Greek chorus of hippies. Burt Ward, Yvonne Craig. Includes commercials. (1967; 30 minutes)</p>
3:20	<p><i>The Brave and the Bold: "Journey to the Center of the Bat"</i></p> <p>When villain Chemo infects Batman with an insidious "silicate" disease, Aquaman and the Atom venture within the Dark Knight's body to stop its spread. Also featuring appearances by DC's two super-stretchable heroes, Plastic Man and Elongated Man. (2009; 22 minutes)</p>
3:45	<p><i>Lego Batman: the Movie (DC Super Heroes Unite)</i></p> <p>In this lively animated movie featuring Lego versions of DC superheroes and arch-villains, the Joker and Lex Luthor join forces to oppose Batman and Superman. Highlight: The Caped Crusader and the Man of Steel confound their foes by switching each other's Lego body parts! (2013; 71 minutes)</p>
